

TRANSFER CONTRACT

Please think about your real life topics/challenges you defined at the beginning of the programme.
 Reflect for yourself which aspects/tools can help you to achieve a positive progress on that topic.

BUSINESS TOPIC	AIM	TIME		SUPPORT	EVALUATION		
What is the purpose? Why and for whom is it important? (Stakeholders)	What do you want to achieve/apply? (Motto - should be attractive ;-)	By when?	Time investment (estimation)	Who can help me to achieve this? How?	How will the stakeholders notice the positive change?	How will I measure the success of the implementation?	
						Until the "by when" deadline?	In one year's time?
